

Room 126... #38 week of MAY 18-22

This week we're learning:

Reading: Charlotte's Web Reader's Theater (performing for the first grade on Thursday)
writing: Third Grade was....
Bible: devotions
math: multiplying 2 digit numbers by one and two digit numbers
Science: Plant Growth
Social Studies: Science and Technology

Upcoming tests/dates:
none this week

Homework:

Monday- math
Tuesday- none
Wednesday- none
Thursday- none
Friday- have a great summer!

Moore's S'mores took first place in field day!

Coming up:

Monday- we will take our final star test. I will send home a final update at the end of the week.

Tuesday- Our AR carnival is 11:30-12:00. All of our friends met their goal and get to attend!

Wednesday- Our time test Ice cream celebration is at 2:20. If you are bringing in a topping or paper good, please send it in by Wednesday.

Thursday- Awards ceremony is at 9:00 am. Honor roll, physical fitness, and other awards will be handed out. We will be performing our Charlotte's Web reader's theater for our first grade book buddies. We also have an 8th grade class coming to share a project with us.

FRIDAY- We are ordering pizza for our lunch. We will also watch the movie Charlotte's Web. I accidentally overcharged for the pizza! I will send home a refund once I get it all sorted out. . . Pizza money (\$2, not \$4) is due Tuesday! If students are not ordering pizza, they will need to bring their lunch that day. Those eating pizza can bring a drink and any other food they would like (chips, dessert, fruit, etc.).

Summer- There are many resources available for you to use of the summer on the class website.. Xtra math will be up all summer for your enjoyment as well.
